

Tutorial 701
Lydia Diard

Recto 701x7

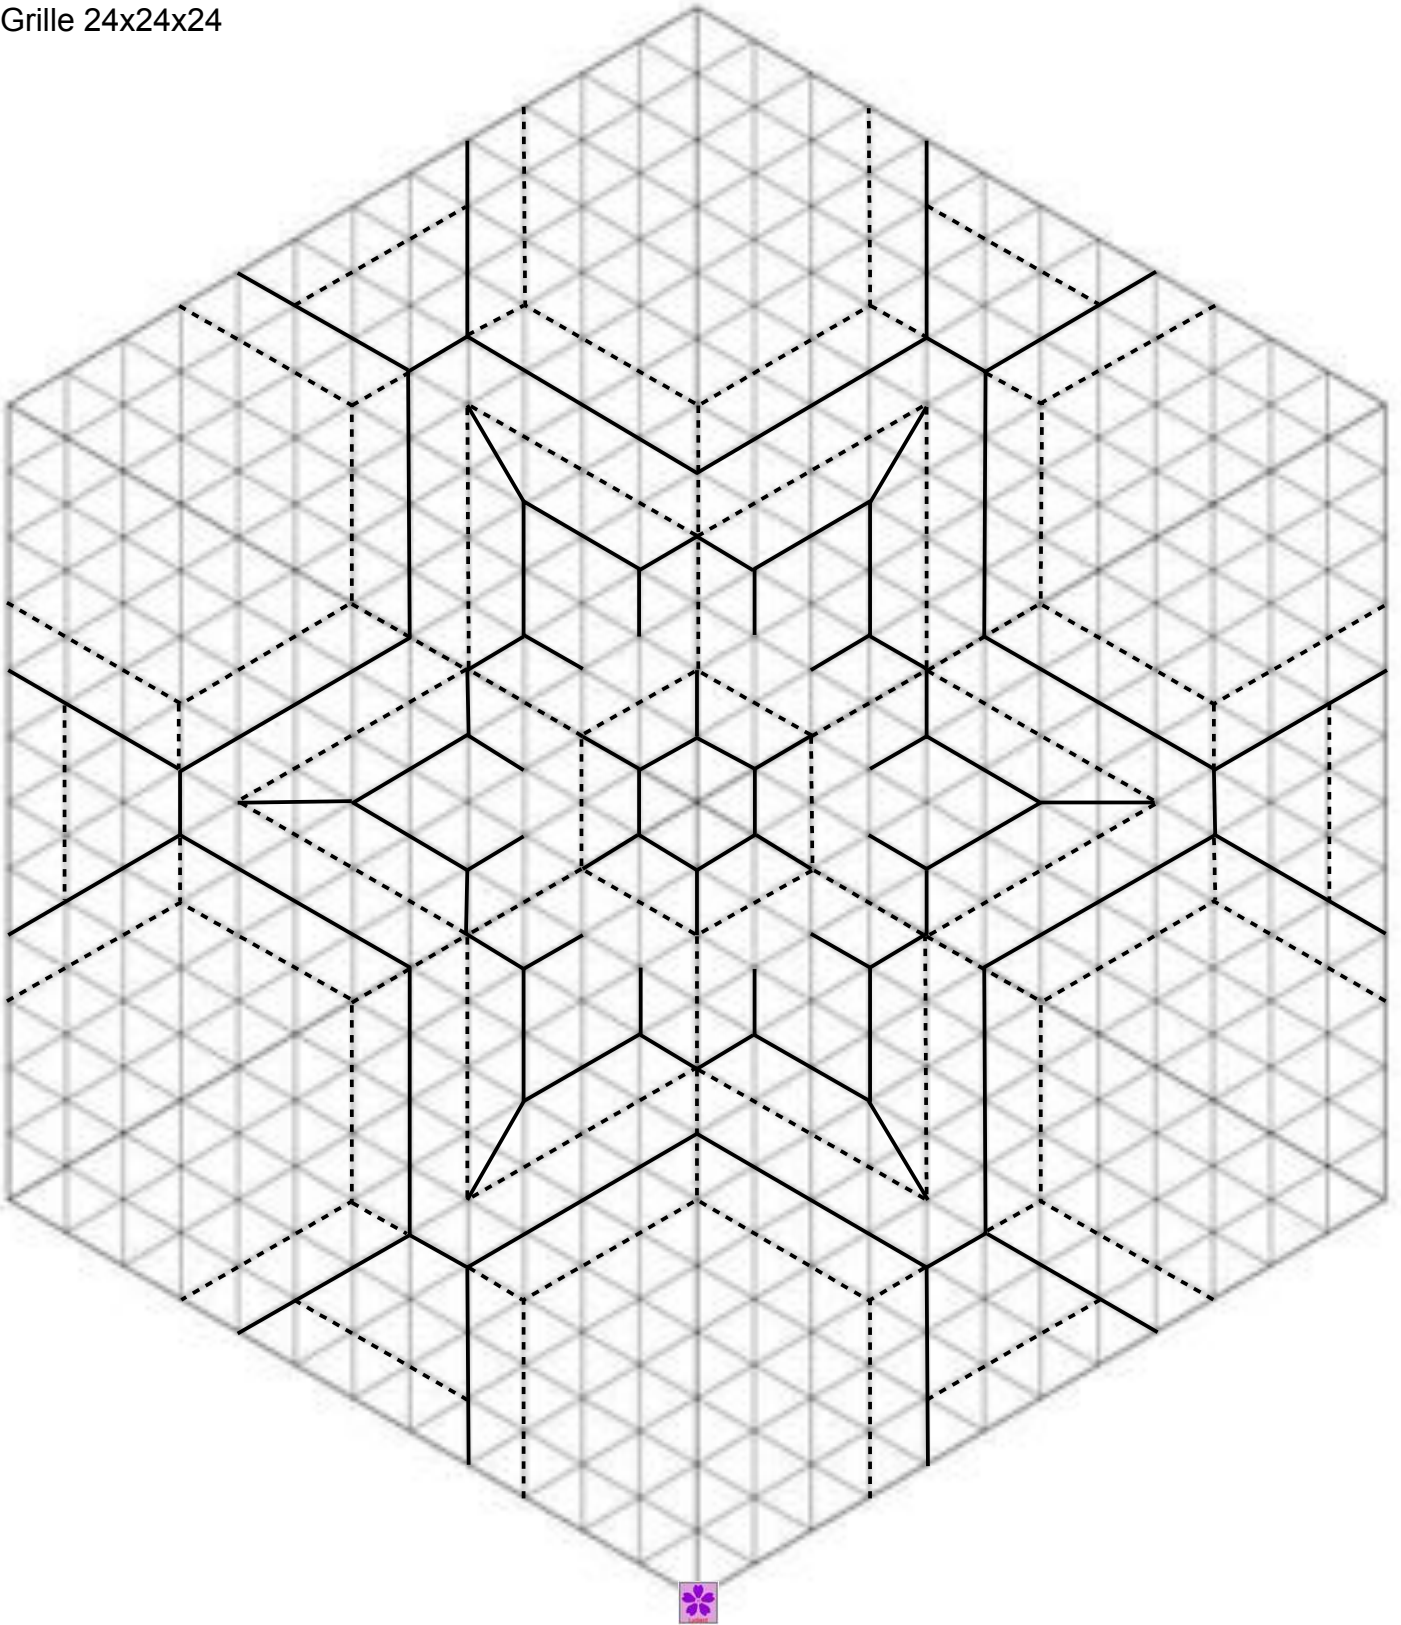

Création, photo : "Lydiard"
Papier : Tant jaune

Crease Pattern 701

Lydia Diard

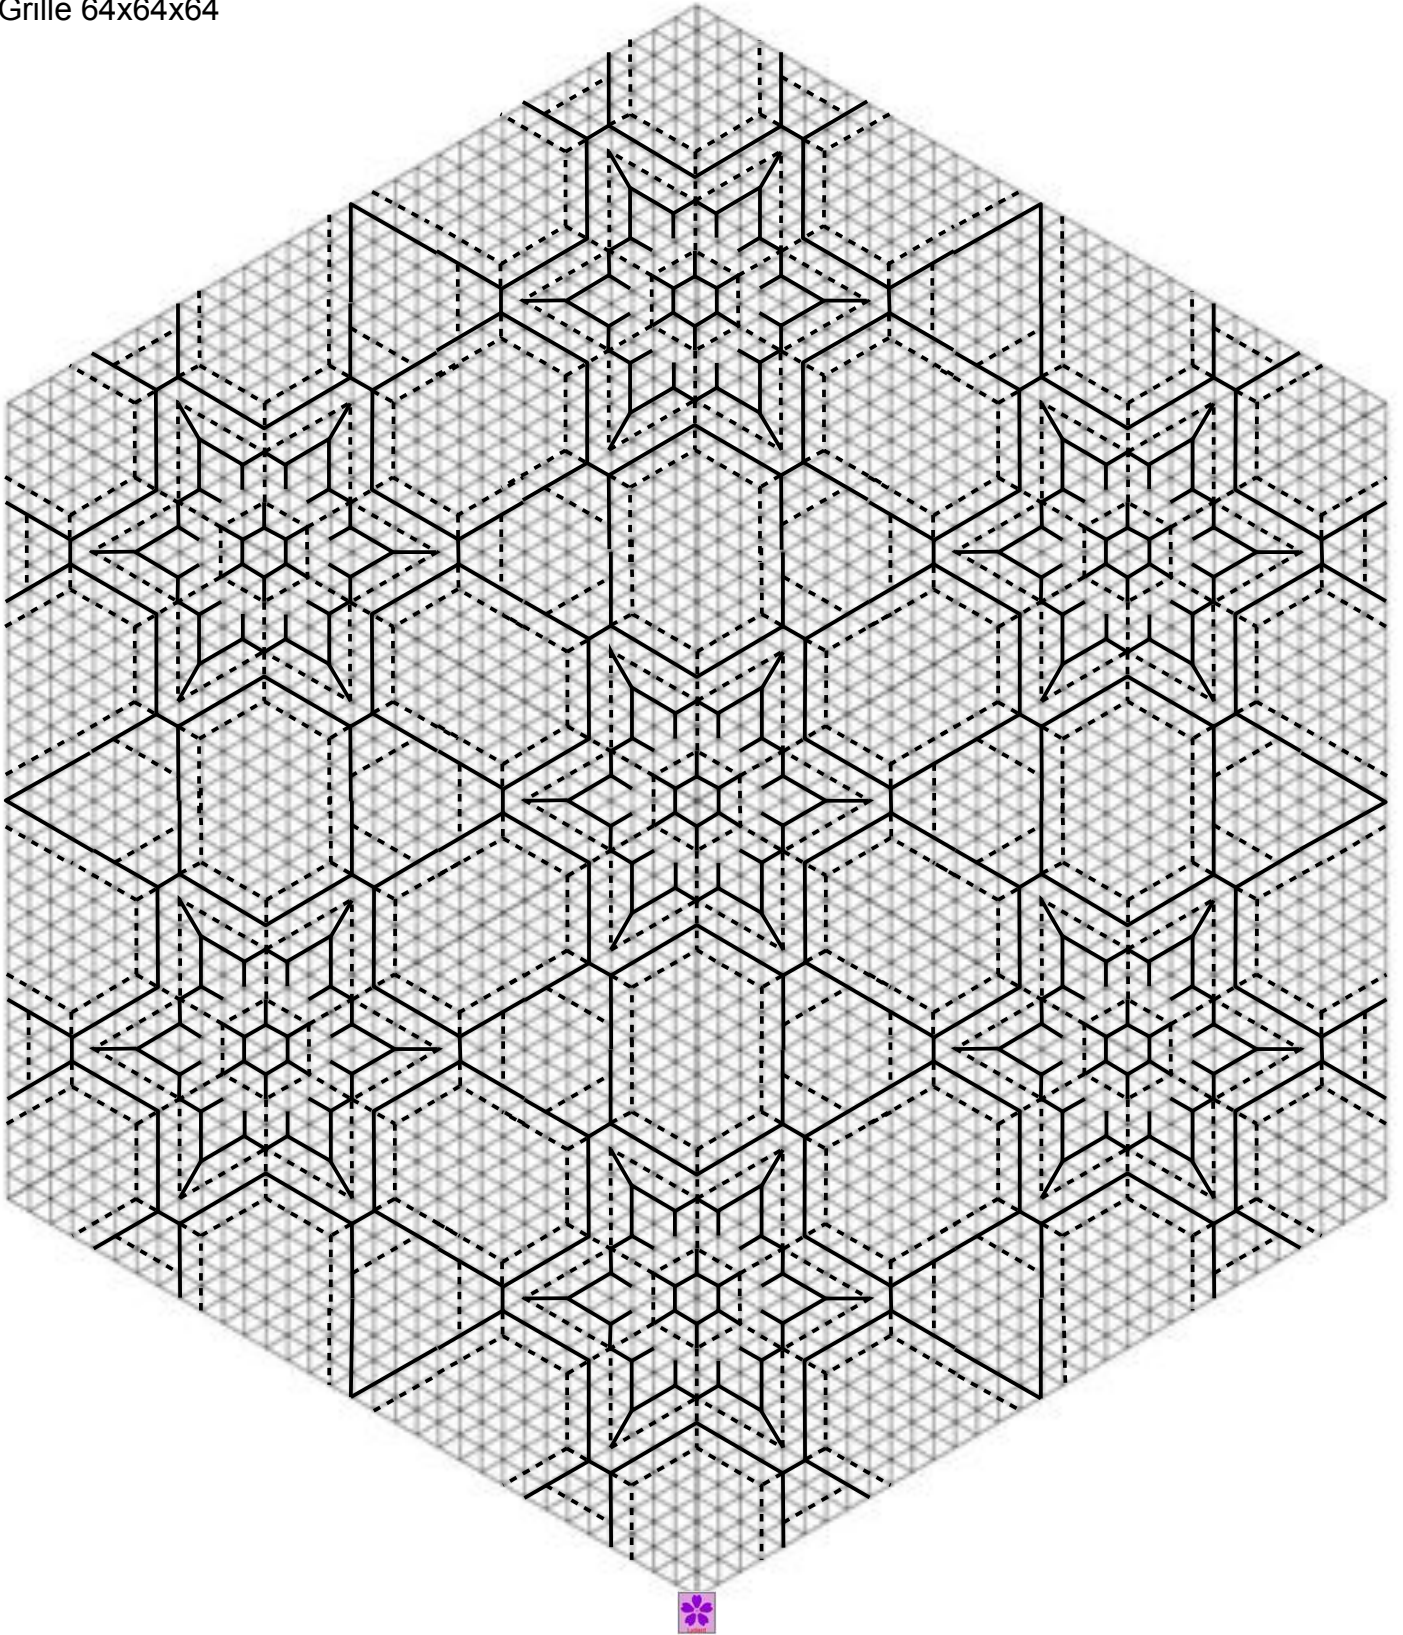

Grille 24x24x24

- Pli montagne, mountain fold.
- Pli vallée, valley fold.

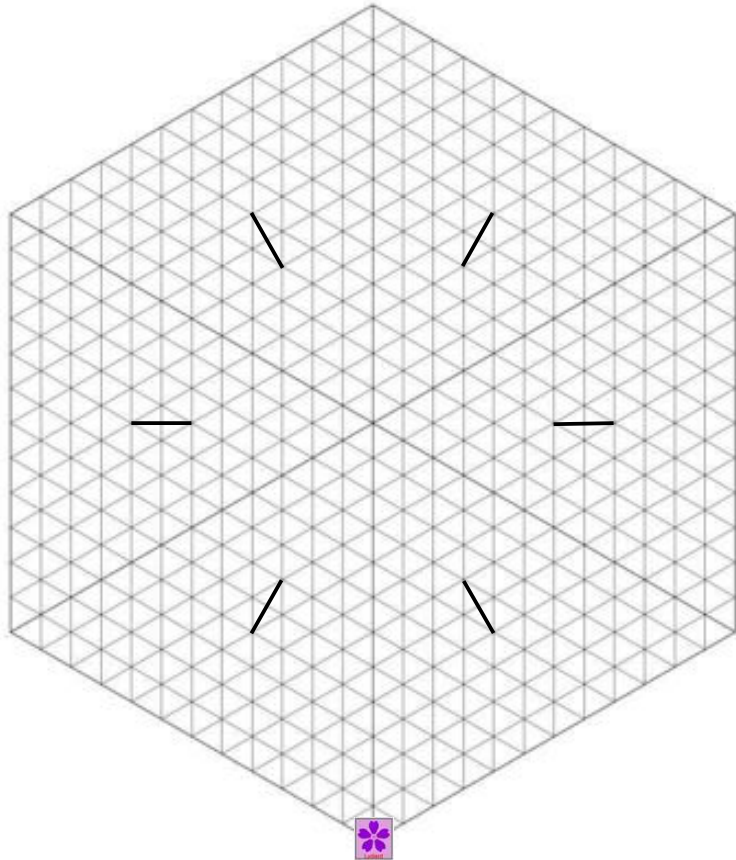

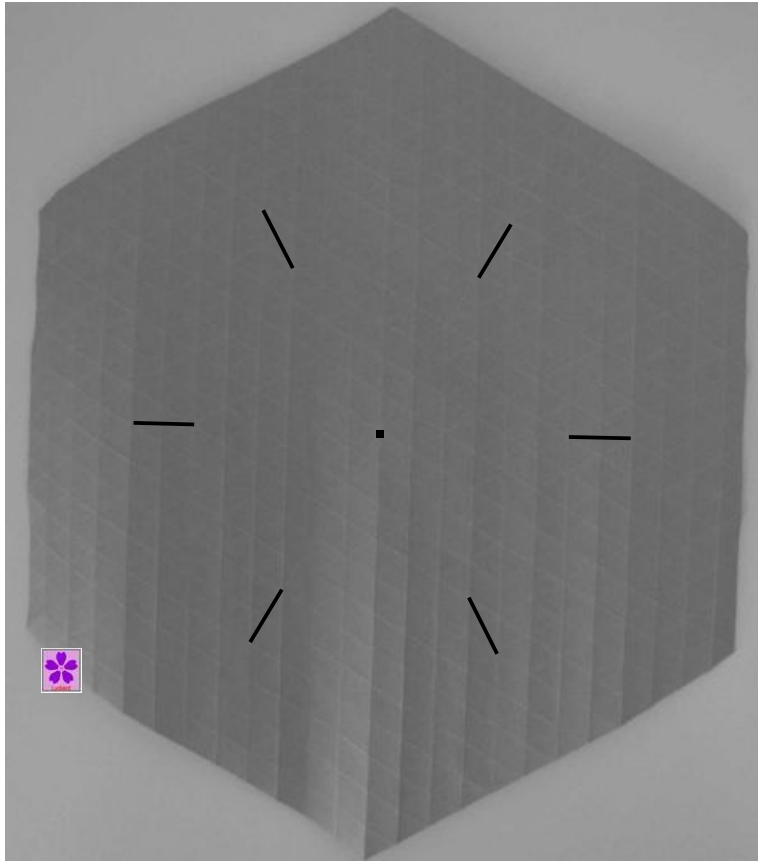

Crease Pattern 701
Lydia Diard

Grille 64x64x64

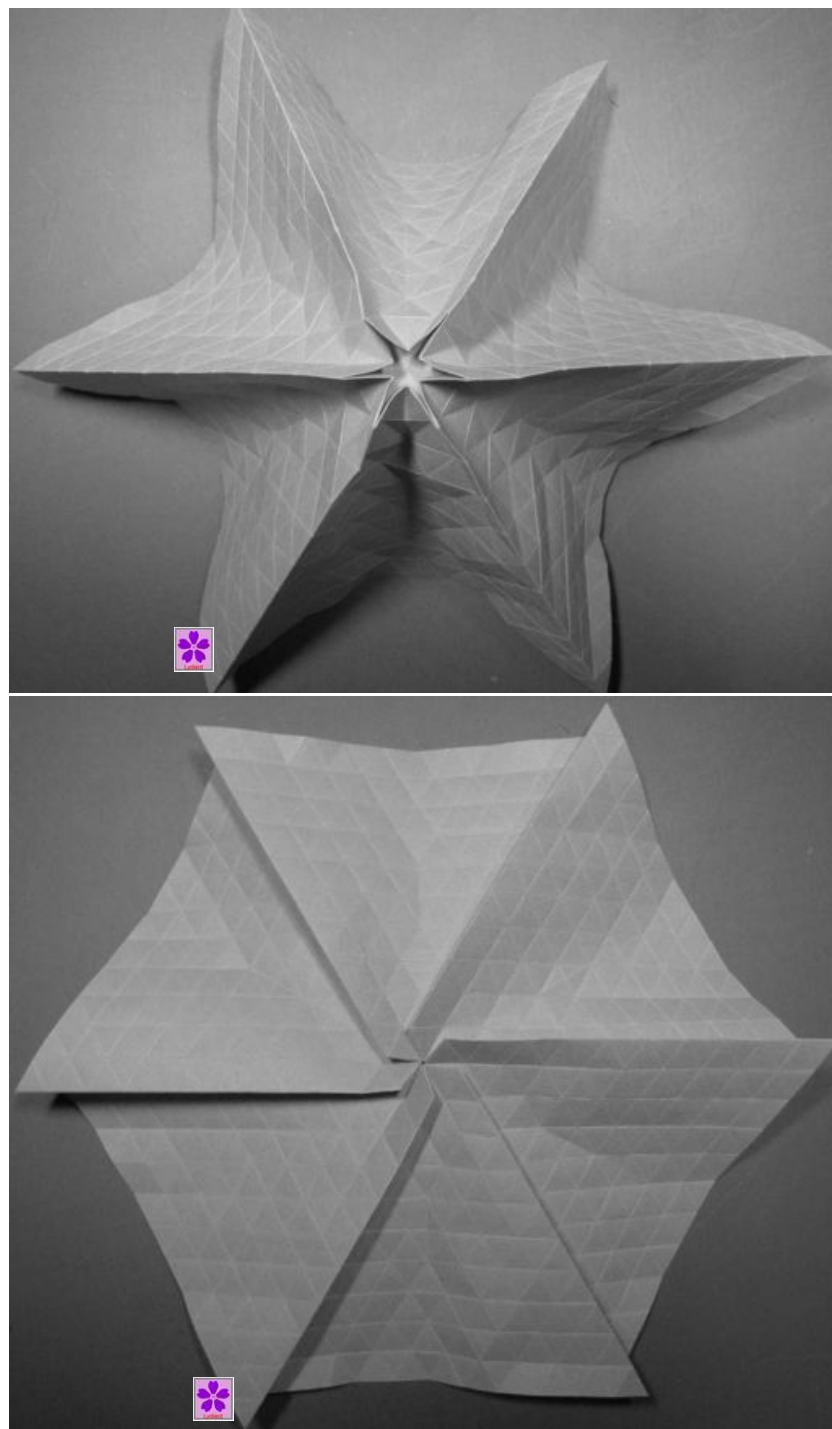

- Pli montagne, mountain fold.
- - - - - Pli vallée, valley fold.

Tutorial 701

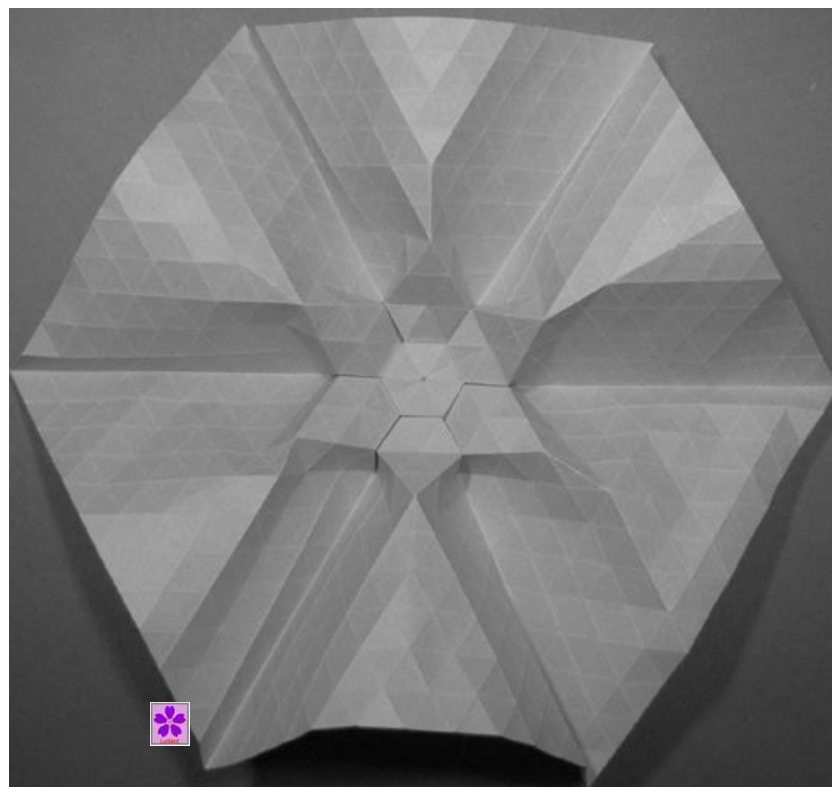

- 1- Faire une grille subdivisée en 24x24x24.
 - 2- Faire les plis montagnes comme montré ci-dessus.
- Retourner.**

Tutorial 701

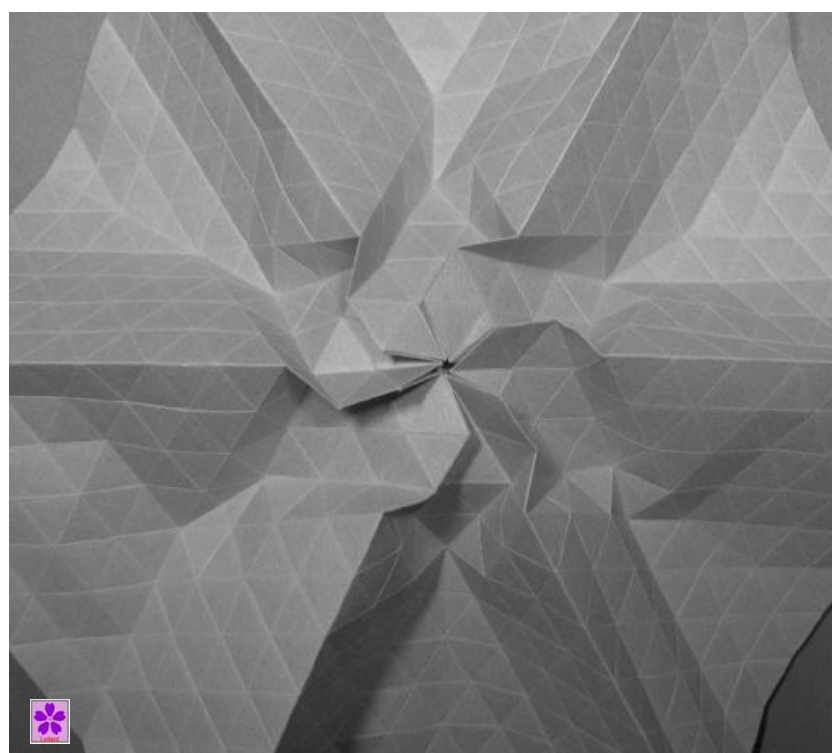

3- Faire un hexagone fermé de 2 plis.
Retourner.

Tutorial 701

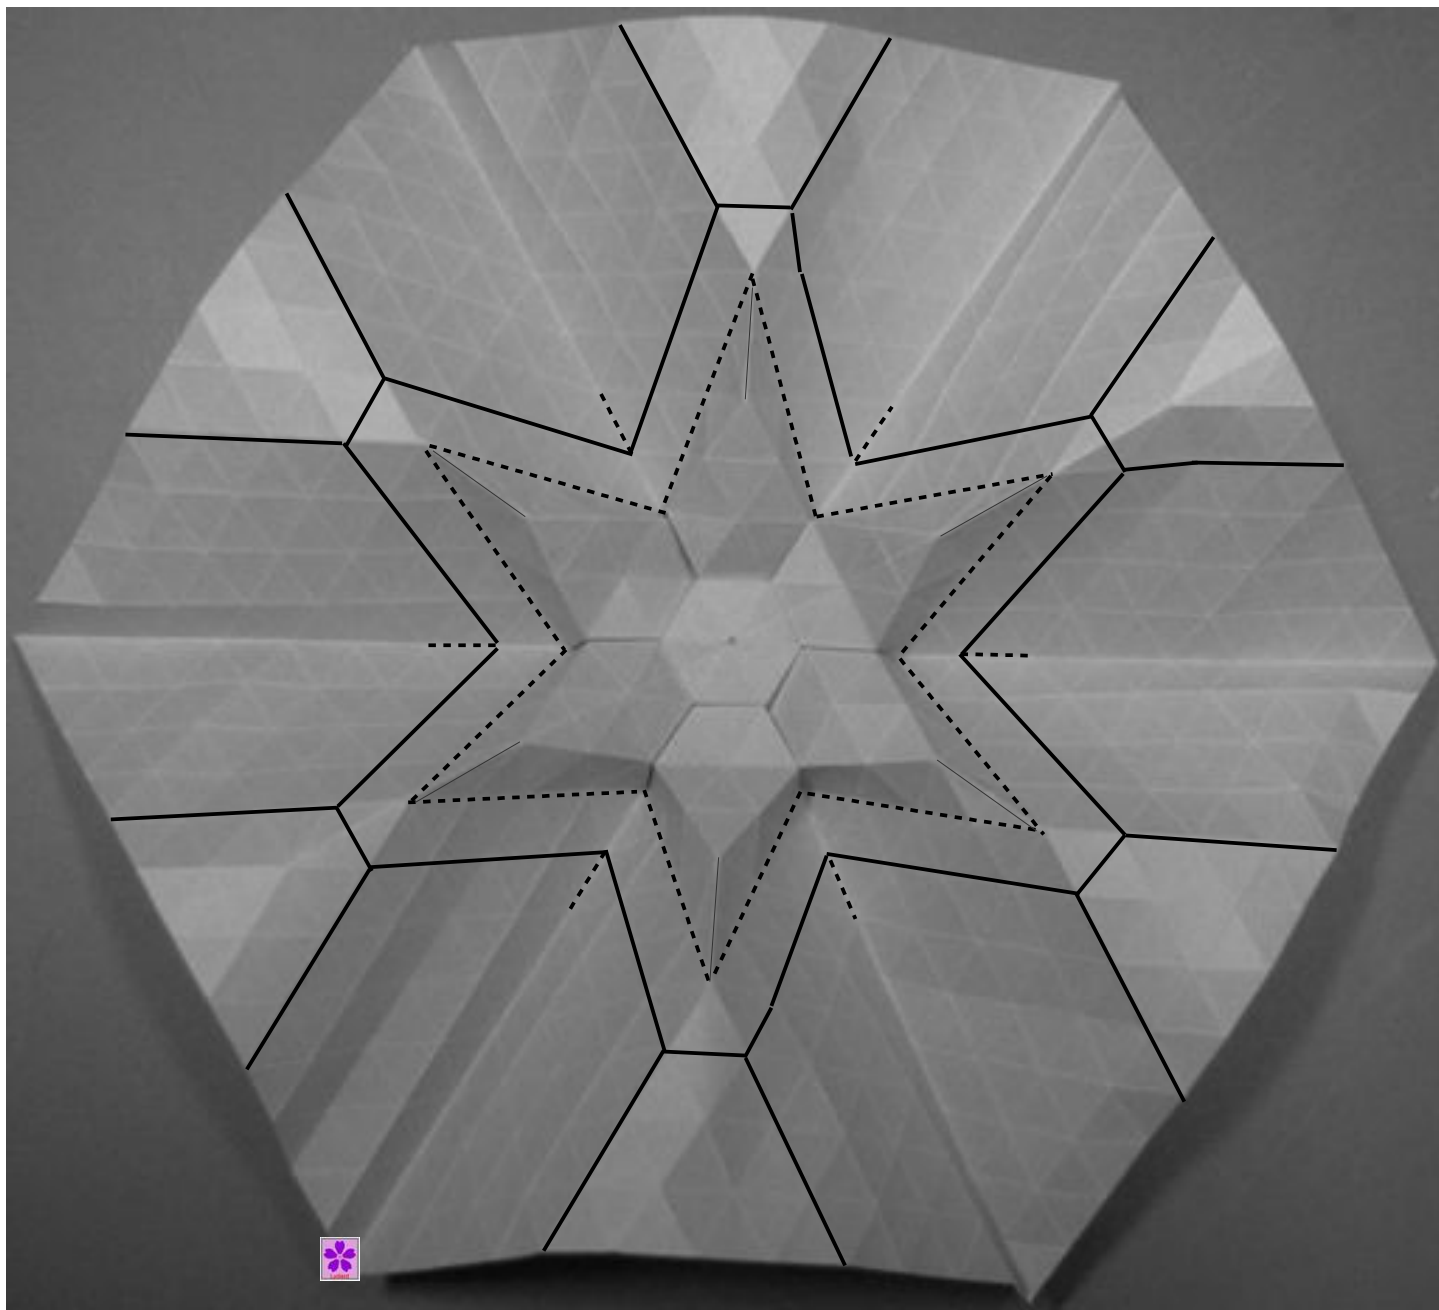

Vue du recto.

4- Former les pétales à l'aide de 120 Degree-Pleat Intersection.

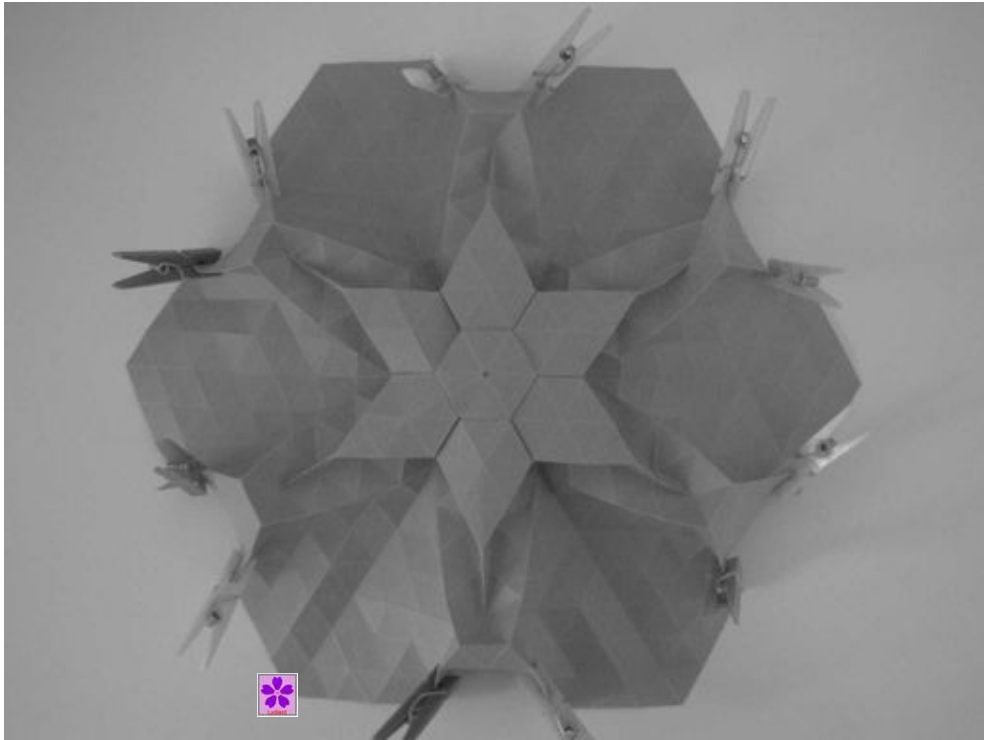

Vue du verso.

Tutorial 701

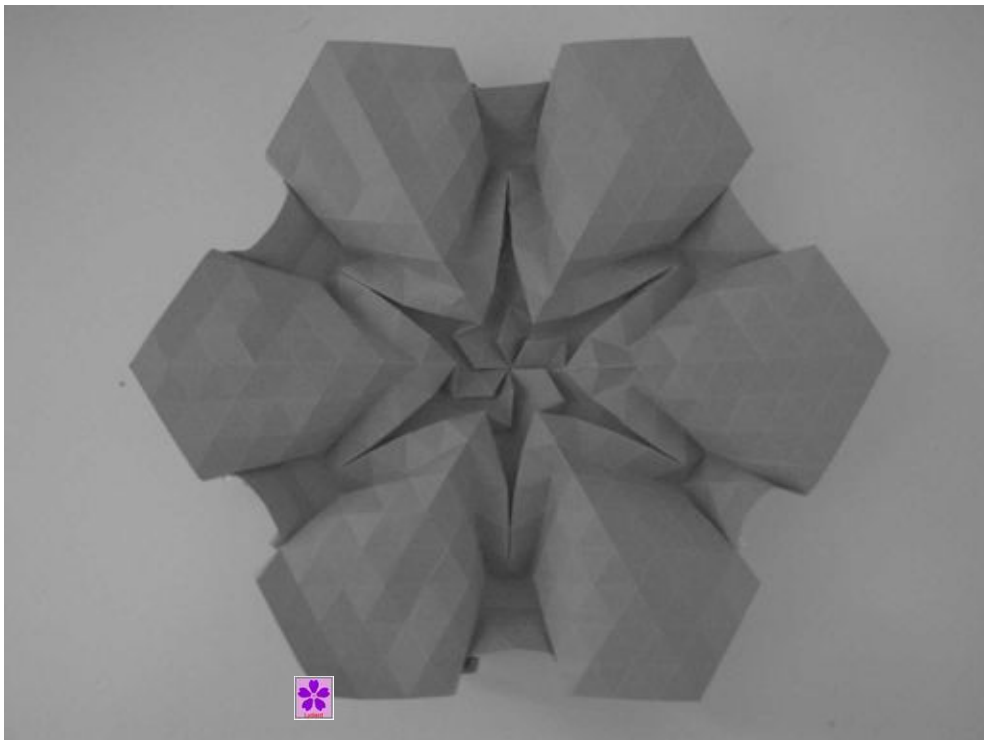

5- Faire les plis montagnes et les plis vallées comme montré ci-dessus. Ne pas faire ressortir les plis montagnes jusqu'au bout, le motif central restera beaucoup plus en 3D.

Tutorial 701

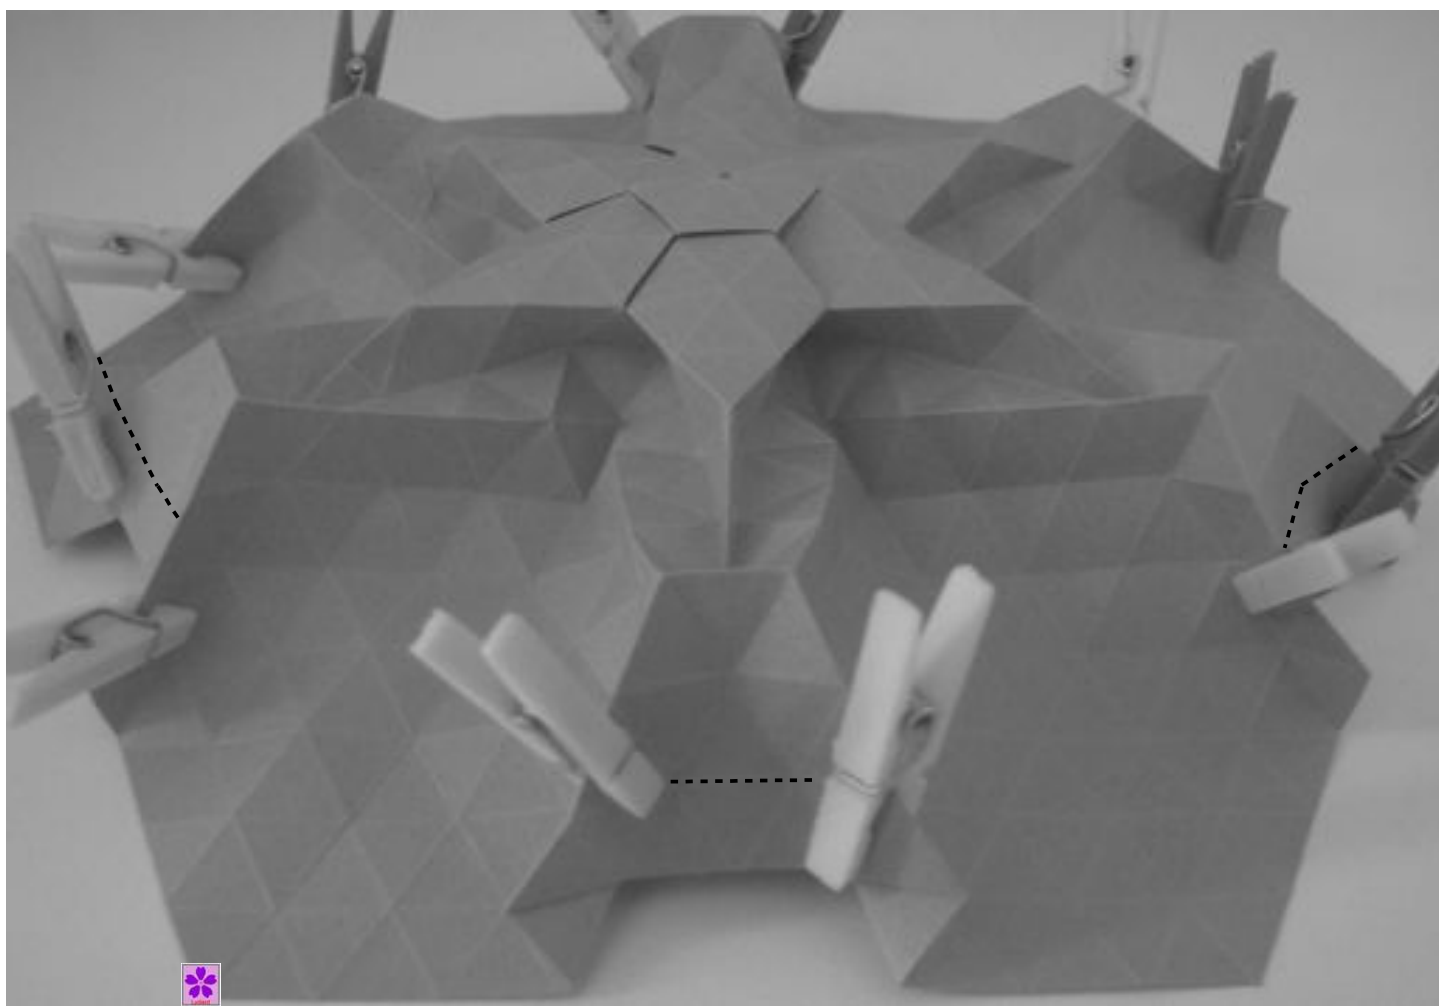

Résultat du recto.

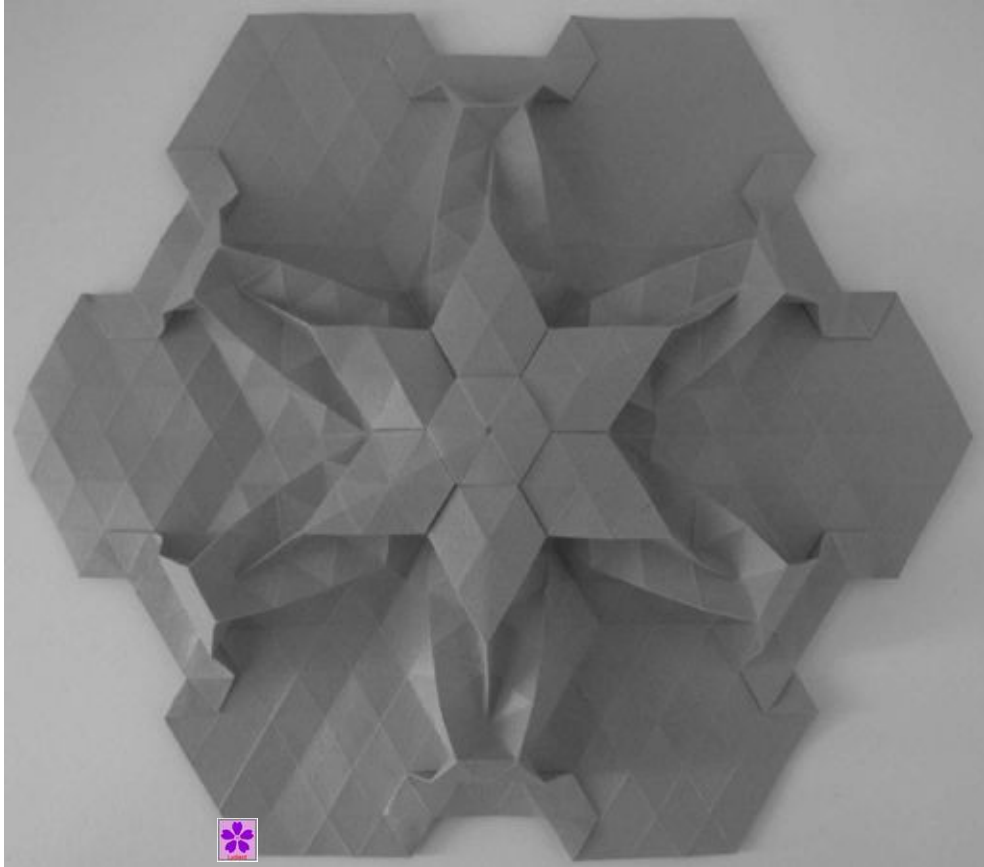

Résultat du verso.

Tutorial 701

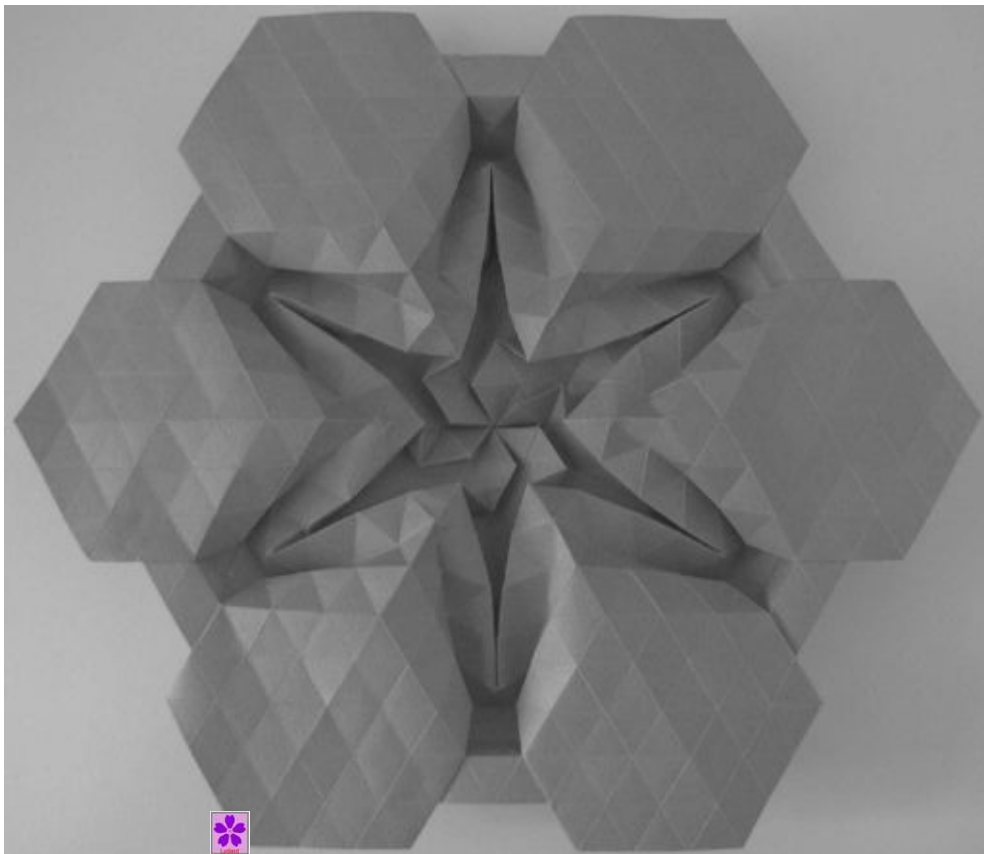

6- Faire les plis vallées comme montré ci-dessus, ils mettront le motif en place finale.
